RSVP Mission

RSVP improves the lives of vulnerable populations in the community by focusing on education and wellness and by supporting nonprofits through skill-based volunteer programs.

Throughout the Greater Philadelphia area, RSVP volunteers enhance their communities by improving the lives of more than 11,000 of their neighbors in need.

Daily, more than 1,200 volunteers take on roles to help disadvantaged preschoolers and their families, at-risk youth, low-income elderly, those with low-literacy & STEM skills, seniors needing guidance with Medicare and support to area nonprofits through ten RSVP program initiatives.
