Volunteer mentors (especially men) are needed for students in Norristown, Blue Bell, King of Prussia, Phoenixville, Lansdale/North Penn, Skippack and Perkiomen Valley.

- Students in grades 3 - 8 are waiting for mentors to become their champion
- RSVP’s mentoring program works with local schools and after-school programs to match students with a supportive adult role model
- Initially, mentors meet with students twice a month for an hour at school with additional sessions and outside activities encouraged
- Many matched pairs attend cultural, educational or sports events, with some tickets provided by RSVP
- Several mentors have remained an important part of their student’s life well into adulthood

RSVP improves the lives of vulnerable populations in the community by focusing on education and wellness and by supporting nonprofits through skill-based volunteer programs
