

STUDENT AGREEMENT

As a student in the My Free Tutor Program, I agree to:

1. Be on time for my tutoring session and log in promptly.
2. Focus my attentions exclusively on my tutoring session
3. Respect my tutor's time. I will notify program coordinator of any scheduling Conflicts or if I am running late to the session.
4. Keep an open line of communication with my tutor.
5. I will contact the My Free Tutor program coordinator at Anabella_myfreetutor@rsvpmc.org or 610-834-1040 x126, if I'm having any problems or concerns with my tutor.

How Will I Benefit from My Free Tutor?

- Work one-on-one with a tutor, in a safe, virtual classroom, using a headset with microphone, sharing a white board.
- Develop different ways of solving problems with a non-judgmental person who can help me succeed by supporting my own, individualized style.
- Brush up on fundamental math skills that I may have forgotten, or never quite understood.
- Learn why math is important in everyday life, whether I'm interested in pursuing a trade career, if I want to go to college, or even if I'm not quite sure what I want to be or do after graduation.
