

DO YOU OWN OR RUN A BUSINESS?

COULD YOU USE SOME HELP WITH :

YOUR BUSINESS PLAN?

YOUR CURRENT BUSINESS PROCESSES?

HR ISSUES?

POST PANDEMIC HEADACHES?

HERE IS A GOLDEN CHANCE TO.....

...bid on an opportunity to meet with a team of experienced Management Consultants to work with you on strategizing methods and plans for improving your business. The Consultants would perform an initial assessment, discuss your business goals and work with you to help solve problem areas through helpful recommendations and practical suggestions. The consulting process could include analyzing and reviewing current business plans, strategies, policies and work processes, and consequently, **improve your bottom line.**

The Consulting package (three Executive Consultants with years of management, financial, and operational expertise) would provide a maximum of 100 hours, depending on the amount of consulting required. This equates to an estimated **market value of \$20,000.** *

This Consulting Package is being donated by the Volunteer Executive Consulting Program of RSVP.

*this estimate is based on current average consulting rates for small businesses in the Greater Philadelphia area. It also assumes all 100 hours would be expended.
